Mikumi National Park

Spending time in Mikumi National Park could just be one of your best safari surprises. It has all the wildlife you could wish for, including four of the Big Five – lion, leopard, elephant and buffalo. But your biggest prize of all may be finding a pack of endangered African wild dogs, which is always an exhilarating sight. You'll love the landscapes, too so many classic safari images including grassy plains, light woodlands and plenty of baobabs, that strangely wonderful tree of the African plains. Put it all together and you'll soon understand why they sometimes call Mikumi 'Little Serengeti'.
