“Fly In” to Ruaha National Park

This is the moment you've been waiting for: your Tanzanian safari starts here. You have so much to look forward to and we'll get your trip underway as soon as we give you an introduction to our team and explain what lies ahead.

Be spellbound by the variety of birds and mammals that live in Ruaha. Big prides of lions are a Ruaha specialty, and you'll also see lots of elephants and buffaloes. Leopards are also a possibility. You can't have lots of lions without lots of prey – expect to see many giraffes, hippos and zebras as well. And the birdlife here is exceptional – a remarkable 450 different species have been seen in the park. Unlike other wildlife-rich parks, not many other travelers come here, which means you get to enjoy the silence and uninterrupted views.
